

JEFFERSONVILLE GOLF CLUB'S 3rd ANNUAL TURKEY SCRAMBLE GOLF OUTING - 2017

The Hardest Day in Golf

Prior golfing experience might be helpful, but a sense of humor is required at our Inaugural Turkey Scramble.

Golfers will negotiate a tricked-up course layout littered with surprise obstacles and unique challenges from tee to green.

All season long you've been putting divots in the fairways, splashes in the sand, and hitting greens and leaving little dimples. All year our greenskeepers have toiled in the heat to clean up after us and with this tournament, they get their revenge!
